Montesa

Introducing the World Champion, completely renewed. Inheritor of the competition experience of Montesa and Honda, the new Cota 4RT 260 is now equipped with a 260 cc engine to deliver an even better performance. It is lighter and more agile to get the most out of its Racing character. With improved traction and optimized engine braking, the Cota 4RT 260 will dominate any kind of section. And it's available in two versions, to suit the needs of each and every rider. Resistant and solid, to compete to the limit, with its 4-stroke engine and the quality, the technology and the reliability that has revolutionized the world of trials.

Cota 4RT 260.
New. Unique.

▲ Toni Bou and Takahisa Fujinami

Without rival. Always on top of Trial World Championship. Undefeated since 2006.
